Sierra Retreats Before Bonilla.

A dispatch from San Jose, Costa Rica, yesterday says: Advice received here from Honduras say that Gen. Bonilla, the president-elect to whom Gen. Sierra refused to surrender the presidency, has entered Tegucigalpa, the capital of Honduras, and that Gen. Sierra and Gen. Arias, who was appointed president by Sierra when the latter took the field against Bonilla, have retreated to a stronghold in one of the northern departments, accompanied by their best fighting men.

It is not believed here that Gen. Bonilla will succeed in retaining power at Tegucigalpa.
